## NYCP Goals:

**Goal 1:** Implement a successful NYCP  
that promotes and prepares AI students  
for college and careers, with an emphasis  
on careers in the teaching profession.

**Goal 2:** Increase student academic  
performance by including opportunities in  
the local community to support AI  
students, and

**Goal 3:** Increase student motivation and  
readiness to attend college or vocational  
training.

## NATIVE YOUTH COMMUNITY PROJECT seeks to:

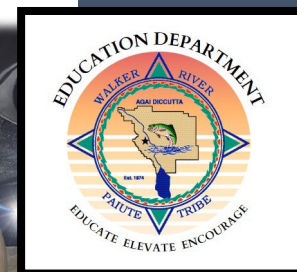

Ensure that local American Indian (AI)  
students are prepared for college and  
careers.

Promote educational equity and  
adequacy in resources and opportunities  
for Native students, in 7<sup>th</sup> – 12<sup>th</sup> Grade  
levels.

Support social, emotional, and mental  
health, address interrupted learning  
(Covid), recruiting, supporting, and  
retaining effective educators.

## WE ARE NYCP

### NYCP/RMC Research Data:

**Documentation** related to attendance, college tours, career exploration, student support services, and community/family events will be collected. Survey data, interviews, focus group data, student achievement data, college and vocational training data will all be utilized to review project goals and improve the project. In-person data collection will take place in September of each year for each annual report.

*The NYCP Program is managed by the Walker River Paiute Tribe Education Department, with funding provided by the Nevada Department of Education.*
