LAW AND ORDER CODE
TITLE 25 ANIMAL CONTROL

25-10 PURPOSE AND DECLARATION OF POLICY –

The Walker River Tribal Council declares that there is a lack of control over the animal populations within the Walker River Indian Reservation and this lack of control directly affects the Walker River Tribe's authority and responsibility to protect persons and property within the Walker River Indian Reservation. Additionally, the Walker River Tribal Council declares that it is a privilege for persons to keep and maintain animals within the exterior boundaries of the Walker River Indian Reservation, and that privilege is subject to the requirements of this Title.

The Walker River Tribe's Animal Control Title is a necessary step to protect the public and the Walker River Tribe's natural resources from unregulated animal populations within the Walker River Indian Reservation. The Title will provide for the control of animals and livestock so as to protect the health, safety, and welfare of persons who reside or are temporarily visiting within the exterior boundaries of the Walker River Indian Reservation. The Title shall hold those persons accountable for their actions that violate this Title to ensure the safety of the public, the safety of authorized animal populations, and the protection of the Tribe's resources.

25-20 AUTHORITY –

Article IX, Subsection (j) of the Constitution of the Walker River Tribe empowers the Walker River Tribal Council to safeguard and promote the peace, safety, morals and general welfare of the members of the Walker River Paiute Tribe and the residents and visitors to the Walker River Indian Reservation by regulating the conduct of trade and the use and disposition of property upon the Reservation. It is the intent of this Title to maintain order and protect the health, safety, and welfare of all persons within the exterior boundaries of the Walker River Indian Reservation and to provide for reasonable and cost-effective procedures for the enforcement of this Title.

The application and jurisdiction of this Title shall be consistent with Title 1 of the Walker River Tribal Title regarding jurisdiction of the Tribe and its Judiciary. As

of the date of the adoption of this Title, any person found to be in violation of regulations described herein shall be subject to the full extent of the law as defined. Any actions that began prior to the adoption of the Title that are deemed illegal after such enactment will be required to conform to this law.

25-40 LIBERAL CONSTRUCTION –

This Title shall be liberally construed in favor of the Walker River Paiute Tribe and its Tribal Council to give full effect to the objectives and purposes for which it was enacted.
